KAYMO FASTENER COMPANY

EXPERTS IN STAPLING AND NAILING

Kaymo.com

Kaymo Fastener Company, ISO 9001:2000 certified, is a trusted name in **stapling and nailing** solutions in India, delivering reliable products and expertise for over six decades.

Since **1959**, Kaymo has been India's largest importer, distributor and service provider of pneumatic, electric and manual staplers, nailers, bradders and pinners, offering the most extensive product range.

Our tools and fasteners serve a wide **variety of industries**, including furniture, woodwork, packaging, framing, toys, clocks, interiors and upholstery, meeting diverse professional needs.

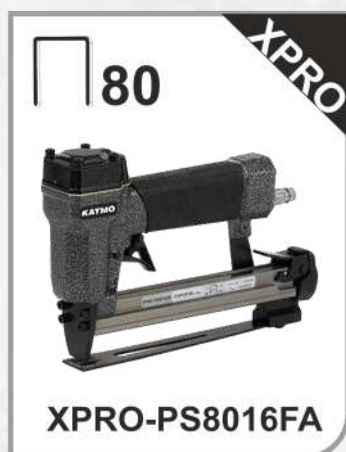

Kaymo operates **India's largest service center** for staplers and nailers, providing comprehensive maintenance and support to ensure product reliability and longevity.

Our business is built on the values of **Integrity, Win-Win, Customer Delight and Excellence**. These principles drive us to consistently deliver high-quality products and exceptional service in every interaction.

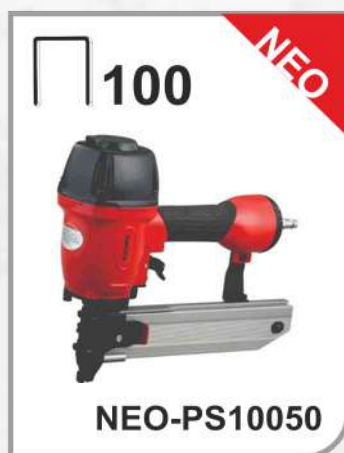

We deliver more than products by partnering with clients to provide cutting-edge fastening solutions that combine **advanced technology and fair pricing**.

With an extensive **network of channel partners and sub-dealers**, we ensure that our premium products and services reach production units, manufacturing houses, and hardware stores across the country.
